Trails of Tatum Park

Tatum Park has more than 6 miles of multi-use trails. Walkers, runners, bicyclists and equestrians can watch the colors change each season on winding paths through stands of tulip trees, and red and chestnut oaks. Or, enjoy the quiet landscape on trails through beautiful fields and meadows.

Please plan your route, take a trail map with you, and follow signs to remain on marked trails. Also, wear appropriate safety gear and obey the rules of protocol: bicyclists yield to all other trail users; pedestrians yield to equestrians.

You may notice that many field edges are mowed to provide additional access. These are not marked trails.

NOTE: At a brisk pace, it takes approximately 20 minutes to walk 1 mile (1.6 km).
