GOLF ID CARDS ON SALE MARCH 15 AT MONMOUTH COUNTY PARK SYSTEM GOLF COURSES

COLTS NECK -- With a new tee time reservation system getting ready to make its debut, the Monmouth County Park System is pushing back the date when Golf ID Cards are available for purchase. The new date is Monday, March 15 – the same day that the courses are scheduled to open for the season (weather permitting.)

Available for purchase from 7am-6:30pm daily at all county courses, the County Resident and Non-Resident ID Cards provide access to the new tee time reservation system for Bel-Aire, Charleston Springs, Hominy Hill, Howell Park, Pine Brook, and Shark River Golf Courses. These cards also provide discounted green fees for county residents, senior and junior golfers.

The cost of the Resident Golf ID Card is \$36.00. The cost of the Non-Resident ID Card is \$45.00. Once again, Junior Golf ID Cards (thru age 20) are available for both county and non-county residents at a cost of \$17.

To purchase a County Resident Golf ID Card, prospective golfers must either provide a current NJ photo driver's license with a Monmouth County address or a current residential property tax bill with applicant's name and street address plus a current photo driver's license. Non-Residents must provide either a current driver's license or one form of ID with proof of age and address.

The new Tee Time Reservation System, still accessible online at www.monmouthcountygolf.org and by phone at (732) 758-8383, will be up and running by 8pm on Monday, March 15. For more information on golf courses, fees, lessons and programs, please visit www.monmouthcountyparks.com or call (732) 842-4000.

The Monmouth County Park System is celebrating its golden anniversary of keeping the county green and livable, since the Board of Chosen Freeholders created the first county park in 1960. Today, the Park System has grown to 38 sites totaling more than 14,500 acres and offers approximately 4,000 recreation programs and activities for county residents.
